

Your right of cancellation and Returns Policy

1 You have the right to cancel the contract at any time up to the end of 7 working days after you receive the goods (see below), providing the goods have not been fitted or modified in any way and providing they are returned with the original packaging and providing the goods are in a resalable condition.

2 To exercise your right of cancellation, you must immediately send an email to sales@djscustomclothing.com.au stating your order acknowledgement number and that you wish to cancel your order. You must then arrange for the goods to be returned to DJs Custom Clothing, within 7 working days of informing us of your cancellation and returning them at your cost. You will be supplied with the return address at this time

3 If you exercise your right of cancellation after the goods have been dispatched, you will be responsible for returning the goods to the Seller at your own cost. You must take reasonable care to ensure the goods are not damaged in the meantime or in transit.

4 Once you have notified the Seller that you are cancelling the contract, the Seller will refund or re-credit you within 30 days for any sum that has been paid by you or debited from your credit card for the goods only, and not for the packing and shipping costs, only after the cancelled items have been received in good condition by us.

5 If you do not return the goods as required, the Seller will not accept them back after 7 working days of being notified
